Electrical Service Affidavit

Project Name: _____

Address: _____

Owner's Name: _____

Permit Number: _____ PIN: _____

This letter is to confirm the understanding of the owner/contractor to the compliance requirements of the Georgia State Minimum Construction codes.

I hereby declare that the requested temporary electrical power is intended for the completion of the construction process and the testing of equipment installed within the structure.

It is understood and agreed by the undersigned that the issuance of temporary power does not constitute approval to occupy the structure. A certificate of occupancy must be issued prior to the structure being occupied.

The owner/contractor is hereby held responsible for any violations to this policy. A violation of this policy constitutes a violation of the City of Guyton Ordinance and will result in the discontinuance of the electrical service.
